

ABBA Board Meeting
Saturday, 6 November 2010
Subway Restaurant, Coon Rapids

Present: David, Gordy, Chris, Jerry, Sue, & Mike

1. Sue presented Donna's idea of the Band matching funds up to a certain point for the Toys for Tots collection at the December ARCC concert. After a solid discussion, all agreed that Mike would instead encourage the whole Band beginning at the next rehearsal to go shopping in order to make their own donations toward the TFT drive.
2. The Board reviewed summary points of last meeting's discussion & decision to trump the SC's voted decision to add a 5th rehearsal for each concert set, which Chris will relay as part of a Board Report at the 11/13 SC meeting.
3. Gordy raised a concern about having players to attend & perform at the Philolectian meeting in Anoka at noon on Friday, March 4th, since we're confirmed to be on the Philolectians' calendar for that date.
4. The Board reviewed the details of the performance schedule in February & March, 2012, and discussed activities for & with Philip Wilby when he's here.
5. There was consensus reached on using some rehearsal time this November to introduce another Wilby piece or two. Chris will order Paganini Variations and the Variations on a Theme by Tippett.
6. The meeting was adjourned at about 1:10.
