

ABBA Board Meeting
Saturday, 29 January 2011
Mandarin Buffet restaurant, Riverdale

Present: Gordy, David, Chris, Sue, Jerry, Ric, Mike

1. Eric has resigned as Band Manager. The Board expressed its regrets & disappointment and discussed how to proceed with filling the position.
2. The Board discussed filling Kent's soon-to-be vacated role as Booking Manager (title unofficial) with no further action presently taken.
3. Mike raised the possibility of a future joint/shared performance of the LWBB & the Northern Symphony connected to the LWBB's 20th anniversary season & the NS's 10th anniversary season. Beyond the question of whether or not each Board member thought this was a worthwhile idea, no decisions were sought.

Respectfully submitted,

Chris
