

Anoka Brass Band Association Board Meeting Monday, July 16, 2018
11:30 a.m., Panera Bread in Maple Grove

Minutes

Present: Jerry, Lori, Donna, Chris

Absent: (Mike, Gordy)

1. The Board approved the recommendation of Jeff Scholl as a First-Call Player in the front row of cornets.
2. Jerry shared with the Board a snapshot of the band's bank balance and an approximation of how we did vs. projections (expenses and revenues), which set a context for the next item....
3. Chris updated the Board on information from Jack relevant to the forthcoming "Remembrances" CD and the Board discussed possibilities of how many CDs the band will buy. Chris will email band members to help determine how many CDs will essentially be pre-sold. This will include contacting family of Chuck Olson and Ric Perkins.
4. The Board agreed that contemplating possible alternate names eventually may be prudent if legal circumstances between Garrison Keillor and MPR someday take using the LWBB name out of the band's hands. However, barring unforeseen developments, the Board officially tabled discussions of changing the LWBB's name (per November's Board & SC meetings).

Respectfully,
Chris
