Saturday, Sept. 17, 2022, after rehearsal Subway, Coon Rapids & Round Lake Blvds.

MINUTES

Present: Jerry, Chris, Lori, Donna, Mike, Brett, Roxie Seidel

1. The Board met with new PR person Roxie Seidel, learned about her background and her plan for LWBB publicity, and approved what we'll need to pay her.
2. The Board discussed & approved the 2022-23 budget as presented.
3. The Board approved changing the registered address to Jerry's home address in our corporate filings.
4. The Board discussed March 2023 scheduling possibilities and contingencies.
5. The Board cumulatively expressed hesitancy about the proposed June 2023 festival in Iowa, with some opinion stated that it may better fit the Mississippi River Brass Band than the LWBB.
6. The Board discussed the status of our brass instrument inventory, expressed interest in replacing the Jupiter cornet with a Getzen custom or something similar, exploring purchasing an Eb soprano cornet, looking into the condition of the regularly-used 25+-year-old baritones & horns, and agreed on reminding people playing band-owned instruments of the expected annual cleaning.

Respectfully,
Chris
